

The Holme C of E Primary School

Weekly Newsletter Issue 7 18th October 2024

Dear Parents and Carers,

Nearly Half term!

I'd like to start this week by saying a huge well done to everyone who took part in 'Holme's Got Talent!' I am so sad to have missed it. Unfortunately, because the original date had to be re-arrange I was unable to be here but I hear it was absolutely brilliant and the pictures look amazing. Thank you to our Year 6 children who put the whole event together and to Miss Rose for making it happen! Well done and thank you again to everyone involved!

This week learning wise our Year R children been thinking about how special it is to welcome a new baby into a family. They made welcome cards, held a garden celebration and the children served 'tea' and 'mud cake' and they even held a christening to welcome the baby in to God's family. The children were really keen to share their own experiences and talk about the love in their families.

Our Year 1 children have continued learning about seasons. They used colour swatches to help them identify colours of autumn leaves and painted those colours on to the leaves to try and match them. The children have also been finding out information in preparation for writing an information text all about the seasons and weather.

It has been a really exciting week for our Year 2 children. They had their Great Fire of London workshop yesterday. The children took part brilliantly and the teacher complimented the class on their knowledge and behaviour! Well done Nightingales.

Year 3 have also had a busy week. They have been learning about the features of non-chronological reports in English and started researching prehistoric animals ready to write their own next week. They have looked at the column method for addition and subtraction in Maths and had an interesting discussion in history, thinking about how Stone Henge was built and why. The children had lots of interesting ideas.

In Year 4, the children have been writing descriptions of Roman gods in English and in maths they have been using their arithmetic skills and practising their times tables. In Science, they investigated how temperature affects the rate of evaporation and in History, they became fact finders and found out lots of interesting facts about Hadrian's Wall.

Year 5 have been continuing their learning about Ancient Greek Gods this week, researching their characteristics and bullet pointing key facts about them. In Maths they have been looking at missing number problems and in History they have learnt about the Olympic games, comparing the modern day with the Ancient Greek Olympics.

Our Year 6 have been working on their narrative poems in English, editing improving and publishing them. They have continued working on long multiplication and division in Maths, and of course hosting and organising our 'Holme's Got Talent' show this afternoon.

Our attendance award went to Year 3 this week with 98.5%. Well done Woodpeckers! As you know attendance is an area we are really keen to improve and we do really need everyone to be attendance 'HERO's at school—Here, Everyday, Ready and On time! Please be aware that I cannot authorise family holidays. As much as we recognise the importance of family time together and the expense of holidays during scheduled breaks, every minute in school really does count!

Another reminder about the dates for applications to secondary and reception places for September '25. The deadlines for applications are fast approaching, especially for secondary school places.

Secondary school place applications close at midday on the 31st October. Please try to complete the application before that date in case there are any problems. (The application forms are on Hampshire County Council website, 'apply for a school place'.)

For Reception places, applications open on Friday 1 November 2024 and close on Wednesday 15 January 2025.

I think that is about all for this week. Please remember next Friday is an INSET day. Have a lovely weekend and see you all on Monday.

Sarah Stevenson,
Headteacher

KEY DATES
